Education & Training

UNIVERSITAT POLITÈCNICA DE VALÈNCIA (UPV)

Degree in computer engineering (2013-2019)

- Specialized in software development
- Worked in lots of group projects during the degree
- Combined it with my entrepreneurship project

EDELWEISS HIGH SCHOOL

September 2000 - May 2010
Bilingual school

- Bilingual school where I studied until the age of 15

Personal experiences

- I went to Cape Town (South Africa) to do some voluntary work for 3 weeks. What we did was to teach the children of Hangberg (the community we were focused on) to make them see there is another way of life.
- Long stays in London to improve my English
